Following the Star

Following the Star, the devotional series for Advent and Christmas, returns to d365.org on Monday, November 27 just before the start of Advent. Scripture, prayer, and meditative thoughts, accompanied by gentle music, can be accessed every day at d365.org.

Writers Tammy Wiens, Jeff Binder, Melissa Kessler, Lawrence Powers, Ariana Gonzalez-Bonillas, and Erendira Jiminez have centered their thoughts on the classic themes of the season. A new collection of instrumental guitar arrangements has been recorded specifically for Following the Star. "Unto Us" is available for purchase through iTunes, Amazon, and Google Play. The musical reflections provide a familiar artistic backdrop to accompany each daily devotional.

With new devotionals available each day through Epiphany, January 6, make this unique meditative resource a part of your personal preparation as you follow the star towards Jesus.

Following the Star is part of the year-round devotional site, d365.org, a ministry of Passport, Inc., and is sponsored ecumenically by Passport, Inc., Cooperative Baptist Fellowship, Presbyterian Mission Agency, and The Episcopal Church. d365.org hosts daily devotionals and three seasonal series for Lent, Advent, and the beginning of the school year, as well as over two million visitors annually. Daily devotionals are available on the web and through the free mobile apps.
